

## About Flex Export

Å Klick her for Norsk

Our mission is to offer exceptional service to clients who wish to export and ship vehicles and personal belongings overseas. As a client you will have peace of mind knowing that we will take extremely good care of your vehicle. We transport a wide variety of items from anywhere in the U.S. to any major sea port in and around Europe.

Our storage and loading facility in Fort Lauderdale Florida is composed of a 1200 square meter indoor warehouse. We offer weekly shipments to ports such as Oslo, Gothenburg, Bremerhaven, Rotterdam and Antwerp. All other ports may vary in frequency depending on the season.

We pride ourselves in being personal, professional and will gladly assist you with all your shipping needs. We can answer all your questions in English or Norwegian.
